HOUSE CONCURRENT MEMORIAL 2006

A CONCURRENT MEMORIAL

URGING EACH CITY, TOWN, COUNTY AND INDIAN TRIBE IN THE STATE OF ARIZONA TO
APPOINT A CENTENNIAL COMMITTEE TO WORK TO COMMEMORATE ARIZONA'S CENTENNIAL.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 To the elected officials of each city, town, county and Indian tribe in the
2 State of Arizona:

3 Your memorialist respectfully represents:

4 Whereas, Arizona will reach its one hundredth anniversary of statehood
5 on February 14, 2012. Arizona is the last of the contiguous forty-eight
6 states to reach this milestone, which provides an excellent opportunity to
7 showcase the history, beauty, progress and development of the nation's
8 fastest growing state; and

9 Whereas, the 47th legislature passed an act authorizing the Arizona
10 Historical Advisory Commission to develop, encourage and coordinate a
11 statewide plan that includes recommending and funding activities and projects
12 that will ensure lasting legacy accomplishments to commemorate the
13 centennial; and

14 Whereas, the Legislature appropriated \$2.5 million for fiscal year
15 2006-2007 to encourage and facilitate legacy projects. Before this
16 appropriation can be spent by vote of the legislative council, a matching
17 amount of \$5 million must be raised from nonstate sources and may be spent as
18 it is collected; and

19 Whereas, the research, funding and development of legacy projects will
20 come primarily from the community level.

21 Wherefore your memorialist, the House of Representatives of the State of
22 Arizona, the Senate concurring, prays:

23 1. That the elected officials of each city, town, county, and Indian
24 tribe in the State of Arizona appoint a centennial committee that is charged
25 with the responsibility to identify and develop legacy projects to
26 commemorate Arizona's centennial.

27 2. That the Secretary of State of the State of Arizona transmit copies
28 of this Memorial to the elected officials of each city, town, county and
29 Indian tribe in the State of Arizona.

PASSED BY THE HOUSE FEBRUARY 19, 2007.

MEMO

RE: Arizona Centennial funding

Arizona Revised Statutes § 41-1352 establishes an Arizona Historical Advisory Commission consisting of not less than ten nor more than twenty members appointed by the Director of the Arizona State Library, Archives and Public Records. Pursuant to Laws 2005, Chapter 1, Section 3, as amended by Laws 2006, Chapter 350, Section 4, the Commission is responsible for "recommending and funding activities and projects that will ensure lasting legacy accomplishments to commemorate the (Arizona) centennial". The Commission "may accept and spend appropriations, grants, gifts, contributions and devises to assist in carrying out" its responsibilities. The Commission has established an Arizona Centennial account in the office of the State Treasurer for this purpose.

Laws 2006, Chapter 350, Section 7 appropriated \$2,500,000 to the Arizona Legislative Council for planning, activities and projects relating to the Arizona Centennial. Before this appropriated amount may be spent, the following must occur:

1. The Commission must collect \$5,000,000 in matching funds from sources other than the State and deposit these matching funds into the Arizona Centennial account.
2. The members of the Legislative Council must vote to authorize the expenditure(s).

The Commission is specifically authorized to spend gifts, grants and donations as they are collected, but the Commission must make an accounting to the Legislative Council to determine qualification for the state match.

The Commission anticipates receiving both unrestricted and earmarked donations. Each type of donation, once deposited into the Arizona Centennial account, counts toward the state

match requirement. Unrestricted donations may be spent at the direction of the Commission for the development and coordination of a statewide plan and the funding of activities and projects relating to the Arizona Centennial celebration. Pursuant to Arizona Revised Statutes §§ 35-142, 35-146 and 35-149, earmarked funds must be deposited in the Centennial account, but may be subject to refund or return to the donor. In depositing earmarked monies with the State Treasurer, the Commission must certify to the Arizona Department of Administration the source from which such monies were received and the terms and conditions under which the funds were received. Further, all disbursements from the Arizona Centennial account must be authorized by the Commission and processed through the Department of Administration.
