Special Guest #1 New York Times Bestselling Author

ROBYN CARR

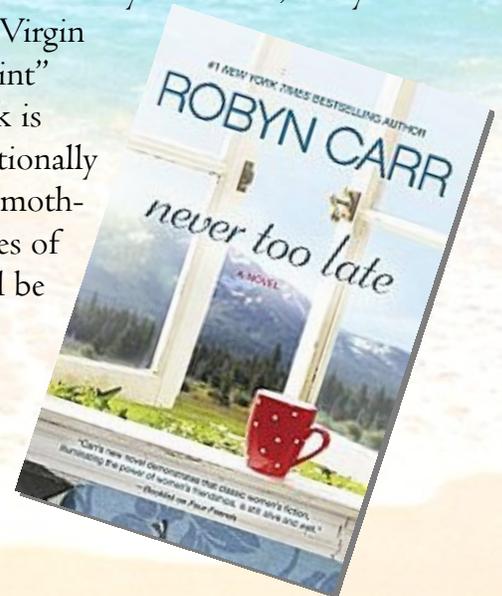

Join us for our annual celebration of great books for vacation reading! #1 New York Times best-selling author Robyn Carr was Back to the Beach's very first guest author when she came and spoke about her book *Mind Tryst* in 1992. Since then Robyn has written more than thirty novels, many of which are part of her popular "Virgin River" and "Thunder Point" series. Robyn's latest book is *Never Too Late*, the emotionally

compelling story of three sisters as they step beyond the roles of wife, mother, daughter and discover the importance of being a woman first. Copies of *Never Too Late*, as well as copies of some of Robyn's earlier works will be available for purchase at the event.

Panelists will also include local librarians:

- * Joanne Hamilton Selway and Candace Clark
- * Rebekka Jones, Scottsdale Public Library
- * Rene Tanner, Arizona State University

As usual, ice cream will be provided, and books will be available for purchase from the Poisoned Pen.
