

## Free Parking and Transportation

If you wish to make a full-day of research in the State Library and Archives, you can come early and park in the free all-day parking lots available on the west side of the Captiol (Executive Tower) and on the east side in the Wesley Bolin Memorial Park. From these parking areas you can take the Downtown Area Shuttle (DASH) to the Carnegie Center. The DASH comes by every six minutes.

Another parking area is located across the street from the Carnegie Center on the Corner of 10th Avenue and Wash- ington. It is a 6 story-parking garage with visitor parking on the first level. The entrance to this garage is off of Washing- ton. There are also parking places located on the street near the Carnegie Center. Some disability parking spaces are located next to the building and can be accessed from Jefferson Street.
